Area 14 LEP Submission

Attention: Robert Corken (and Peter Cameron)

Dear Robert,

The Bonny Hills Progress Association has made two submissions recently in relation to Area 14 – one regarding the St Vincent's Application and the second in relation to Stage 1B, in the NE corner of Area 14. We submit these as the basis of our submission to the Area 14 LEP.

You will find that they cover the issues in relation to concerns the Bonny Hills Community has regarding the proposed Area 14 development, and while there is overlap between the two there are also some important differences.

We trust these views will assist in guiding your final decisions and thank you for the opportunity to make a submission.

Yours sincerely

Roger Barlow
