### Reserves' Draft Master Plans

At least 45 residents attended the public meeting convened by the BHPA and PMHC at the Bonny Hills Hall, on 18 th October. This was another step in involving the community to obtain feedback on the suitability of the Draft Master Plans for Rainbow Beach, Bartlett's Beach and the Hall Reserves in Bonny Hills.

The BHPA, based their submission to the PMHC on the comments that arose during the meeting regarding the immediate issues and long term development of the Reserves. Details of this submission can be viewed on the BHPA website (see below). Residents who had particular issues with any aspect of the plans were encouraged to make individual submissions as well, to the PMHC by 28 th October.

### Crime Prevention Workshop

You are free to draw your own conclusions when only 2 residents turned up at the meeting held at the LUSC on 21<sup>st</sup> September, to help draft a Crime Prevention Strategy for the Camden Haven Area.

Regardless, we do need to report any incidents to the police, as our status of vulnerability is determined by what is reported.
