

Bonny Hills Progress Association News

January 2016

We hope you enjoy our first newsletter for 2016.

Highlights for 2015 included:

- Rainbow Beach Playground

This year was the ultimate in having the parents and friends of the younger community members giving their time and expertise to the upgrade of the playground. The opening of the revamped playground was held in July 2015 and what a great spot it has proved to be.

A picture tells a thousand words!

And great news for 2016---BHPA has received \$9000 from the Community Building Partnerships Program for an educational bicycle track for the youngsters at the playground. We greatly appreciate the support of Lesley Williams MP, as well as Council and all members of BHPA.

- **Created a FACEBOOK page - <https://www.facebook.com/BonnyHillsProgressAssociation>** It is working famously with a large and varied following. Have a look and give us a "LIKE" as the jargon goes
