

Bonny Hills Progress Association News

July 2015

We are being dragged kicking and screaming into the era of social media¹. See our new FACEBOOK page - *Bonny Hills Progress Association Inc.* The idea is to provide a wider, interactive forum than is possible on our website. Go on and give us a “LIKE” as the jargon goes.

Rainbow Beach Reserve drainage

You may have noticed there has been a realignment of where storm water run-off is directed with a large underground soakage pipe laid adjacent to the toilet block. It is hoped damage to the beach front will be greatly reduced. Time will tell. Increased vegetation along the dune should help.

Playground Upgrade.

This has become a very busy spot with youngsters loving the sandpit and the slippery dips. Shade and more seating will follow. The official opening will have been held (on 1 July) by the time this makes your letter boxes – trust you were there for the free sausage sizzle.

Many thanks go to all those generous volunteers in our community who gave their time and effort, to work with the council on improving this place.

Bartlett's Reserve

We erred in saying that the new picnic facilities had been installed in our last Newsletter – they are in “the pipeline” for installation.

Membership

WHY we think membership needs to be at least 10% of Bonny Hills households - with a good spread across our demographic, including businesses - is to be persuasive about our level of support when we talk to Council, Government and funding bodies. We are competing with all other communities and interest groups in our LGA and beyond for funds and attention.

Monthly committee meetings of BHPA are open to all residents and minutes and important notices are emailed to all on our database. If you are not on email, minutes are on display at the BH Post Office. Annual membership is only \$10 per household and can be paid at any meeting or c/- the Bonny Hills PO.
