

Bonny Hills Progress Association News

July 2017

We appreciate those willing volunteers who helped the locals and visitors navigate their way around our Streets during the running of the **Ironman** event in May. We had beautiful weather and everyone enjoyed doing their bit. Many thanks to the Laurieton Men's Shed for allowing us to help out and earn funds to cover our insurance costs.

At their stations:

Members of the BHPA viewing progress on the new toilet block construction at Rainbow Beach playground. The concrete pad was being poured.

The BHPA valued a great working relationship with the previous Mayor and looks forward to continuing and progressing this with the newly elected Mayor and Councillors. We wish Mr Peter Besseling all the best in his new venture and appreciated his interest in our area.

Many in our community have expressed concern at the proposal by **Cazaly Resources Ltd** to seek a licence to undertake mining exploration in this area. Searching for high-value elements needed for Lithium-ion batteries appears to be the goal. See our website for further details. Advice we received from the Environmental Defenders Office was to keep our powder dry for the present exploration phase. But there is a proposal in the wings to setup a community Facebook page to keep us abreast of developments as they unfold. Watch this space.
