

Bonny Hills Progress Association News

July 2022

Hearty Congratulations to Ian. He hit the jackpot with an approach to Council accessing Federal funds to install two high quality exercise pods for our community to enjoy. The opening at Rainbow Beach by Mayor Pinson was well attended [Dr Gillespie was down with COVID].

Grant Guru Ian has also been successful in obtaining funds via the Federal Powering Communities Program for a marquee that can be used by local community organisations.

Did you know it is 75 years since Bonny Hills was named, the Post Office was opened AND BHPA was first established? Surely that's enough excuse for a 75th celebration! Under consideration are:

- ✓ Music & Market day at Bonny Hills Tavern carpark, 2nd October
- ✓ Historic photography & information exhibition at Community Hall and around local businesses
- ✓ Launch a Bonny Hills Walking Trail
- ✓ Begin a replanting program for Rainbow Beach Reserve

Local organisations & businesses will be invited to collaborate.

At last, the new slipways on the M1 at the Houston Mitchell Drive intersection are in action! That is great news given the inconvenience experienced during the build, and they are a definite improvement. But Kathy and her team are still working towards a fix for the main safety issue – an overpass for traffic crossing the Highway. With MP Leslie William's assistance, Kathy is working towards a meeting with Minister Sam Faraway.
