

# Bonny Hills Progress Association News

March 2016

**A friendly reminder that our AGM is scheduled for 7:00pm, 15th March.**

It has been a good year and President Roger will report on achievements in 2015 and the job ahead. One of the growing challenges is how to deal with the likely impacts on our village, and the additional infrastructure needed to cope given the large developments in progress in and around Bonny Hills.

A public forum on the night will focus on this very topic with representatives from Council, Area 14 Planners, and a local agent invited to make brief presentations and answer questions from the floor. Supper will be served.

**How to generate serious community interest?!** For a long time we have wondered - but not any more!

An old photo of Bonny Hills circa 1943 posted on our Facebook page recorded 1588 visits with many people commenting and contributing more old photos. This was at least 5 times the interest generated by any prior post! This has us thinking that there could be an opportunity to have a show and tell 'history' day with residents invited along to swap yarns and display historic material. Who knows where it could end up – maybe developing a resource that's special to the Bonny Hills community?

## Passing lane at Grant's Head Quarry

It's great to see this south-bound passing lane going in at long last. It was one of the conditions of development consent for the quarry increasing extraction depth a few moons back. Much needed.
