Congratulations to all the willing Volunteers in Bonny Hills and BHPA President **Roger Barlow, who received the 2019 Australia Day "Senior Citizen of the Year Award"** for the Port Macquarie Area . In his words "a Bonny's TEAM EFFORT"

Ongoing Issues along Rainbow Beach.

It is pleasing to see that sand has naturally returned to Rainbow Beach.

However, dying trees and sand dune erosion are evident as a result of excessive flows of treated effluent water from the Sewage Plant.

BHPA are awaiting a response on this from Council after the EPA issued Council a "Pollution Reduction" notice.

Happenings already in 2019

- *CCAT has decided on priority works for PMHC 2019/2020 Operational Plan. **Come along on 26th March to hear more.***
- *An application was made to Council for funding of shaded seating in the Hall Reserve.*
- *A Mural design competition is in train with the aim of engaging with the younger artists in our community .*
- *Agreement has been reached with Council to install a basketball hoop at the new court.*

****Lot 2, Beach Street Development.**

*It took persistence and determination to gain the exact details of the **Remediation Order issued to the Beach Street Developers** by the Office of Environmental Heritage. BHPA felt the order fell well short of reasonable expectations given the extent of clearing undertaken.*
