Bike track at Rainbow Beach Playground

Gary Easton and his crew concreting the new educational bike track.

The addition of speed bumps, traffic signs, seating and landscaping will enhance this fun spot. Thanks to Community Building Partnerships for funding, and Council for assistance with project management.

Best Wishes to all for a Happy and Safe Christmas.

****And special thanks to all the volunteers who have contributed their time and effort to the many projects and those who maintain and look after our environment. ****

Working with our Neighbours BHPA welcomed Secretary, Sue Warner and Committee member David Tooby from the Lake Cathie Progress Association to our recent meeting. We agreed that presenting a united front to Council on common strategic issues, such as the state of Ocean Drive, playing fields, connecting pathways, would greatly strengthen our case. And that engaging with Laurieton Chamber of Commerce would further strengthen representation from the southern end of the LGA.

The inclusion of a membership form with our last Newsletter inspired many more to join BHPA. Thanks to those people. As we said - *"It is only through strong membership that we can hope to seriously represent Bonny Hills when we go in to bat for limited resources. At only \$10 per household it's a 'no brainer'. And volunteers helping on projects make the dollars stretch further."*
