

Bonny Hills Progress Association News

November 2017

Our community engaged with Councillors and Council staff at the first of 2 workshops held on 25th October.

Residents took the opportunity to air their concerns, discuss the challenges for a growing population and put forward ideas for the future betterment of our village and community. The existing BH Community Vision was agreed to still hold - themes being:

- **Conservation of our natural environment and wildlife**
- **Maintaining village character and quality of lifestyle**
- **Ensuring safe roads for people and wildlife**
- **Water quality and management**

BUT we need to rise to the coming challenges and take the opportunities to meet our expectations for Bonny Hills of the future. Participating in forming up our future doesn't take much effort!

Begin with Council's **Urban Growth Management Strategy** - **critical to BH future development**. On display from 1 November.

BHPA wishes everyone a safe and Happy Christmas and a special thank you to the many willing volunteers in our village.

A balmy night helped families celebrate our first free **outdoor movie** - "Moana" provided by PMHC on the open space at Rainbow Beach Reserve on the first night of the Oct. school holidays.

Our Celebrating Bonnys event is proposed for 28/29th Sept 2018. Our aim is to involve all community groups and businesses, families and individuals to share and celebrate their special past present and future place in the Bonny Hills community.

Great to see these in use - no longer just set of monkey bars for the kids! Erected with Grant funds from FRRR and PMHC staff in 2012.

Thumbs up for those residents who joined the BHPA this year!
