

# Bonny Hills Progress Association News

September 2015

## Rainbow Beach Playground Upgrade.

Carrying on from our last update, signage has been erected together with a very popular bubbler for the youngsters. Have you found the Eastern Pygmy Possum?

An unrehearsed demonstration by Lachlan on how the bubbler works. He tells us that he doesn't live in Bonny Hills, he lives in Australia!

## Bartlett's Reserve Publicity

There has been publicity in the local press about the concerns of some Bonny Hills residents regarding paragliders using Bartlett's Reserve as a launching site. Representations have been made to BHPA about public safety issues and degradation of flora.

BHPA in action, meeting with Council staff at Bartlett's.

Currently this is an approved activity within the 2012 Master Plan for this Reserve as no objections were made during the time the draft plan was on public display. BHPA is now working with Council to find a resolution. We have been advised that Bartlett's is not the only location in the LGA where these issues are of potential concern. Watch this space.

Monthly committee meetings of BHPA are open to all residents and minutes and important notices are emailed to all on our database. If you are not on email, minutes are on display at the BH Post Office. Annual membership is only \$10 per household and can be paid at any meeting or c/- the Bonny Hills PO.
