

Bonny Hills Progress Association News

September 2017

Congratulations to Ms Peta Pinson - our first female mayor. We wish her every success in her new role and look forward to an excellent working relationship with her and her team.

The first mayoral task in Bonny Hills was celebrating with BHPA the completion of the Rainbow Beach Amenities Block.

It was around this time last year, planning started about how best to replace the aged structure, and free up open space for the many Reserve users.

And together with generous grants from the **Laurieton Rotary Club and Kendall Op Shop, and PMHC** making up the funding shortfall, and providing ideas and workmanship, it all came together.

In addition, they provided 3 seats and landscaping. Check out: Roger, Ian, Bill, Phil, Elaine, Carmel, Julie Pam and Peta.

Thumbs up and congratulations to those volunteers who watered the plants and lawns during the establishment phase and also those who continue to keep Bonny Hills BEAUTIFUL by collection of litter and removal of graffiti.

Right: Darryl watering.

The Cazaly Resources Mining application for an exploration licence in our area was withdrawn on July 20th. No reason was given but we are all very pleased.

Half Netball Court Application for Grant Funding

A number of locals have commented about the lack of local sport facilities for girls and young women. A "straw poll" on our Facebook page gave a thumbs up for the idea of a half netball court at the Hall Reserve.. Based on this the BHPA has applied for a grant through the Community Partnership Program and with PMHC assistance we hope this will become a reality for the youth and young families in our village.

Back to Bonny Hills History event

It's early days but we are thinking about staging a back to Bonny event, timed to coincide with Wauchope's celebrations of the 200th anniversary of Oxley coming through in early October 2018. We have collected a large amount of memorabilia already which will provide a strong platform.
