Basketball Tower. The many parts have been transported from Brisbane and been assembled by locals. Prior experience with building blocks and a meccano sets has been invaluable. With fantastic advice and physical input from Sean and his lads a very deep hole was dug, and the supporting framework assembled and over a metre of concrete poured. We were a little nervous about getting the vertical right, but Sean's faith never wavered.

A successful grant application to **PMHC of \$9800**, will see covered table and seats erected where the present seat is located in the Hall Reserve. The existing seat will be moved under a shady paperbark tree.

Further grant applications are being prepared. Watch this space.

President's Comments: The Community Plan is a blueprint for investment in Bonny Hills future, covering the next 5 to 10 years. It is the result of a lot of effort by many so make sure you have a look and see that it covers your views and concerns.
