

Bonny Hills Progress Association News July 2018

Back to Bonny's - 28/29/30 Sept.

Our committee of incredible volunteers together with Parker & Co is putting in a huge effort to secure grants, sponsors and donations. And Council, local businesses and organisations are responding very generously. And people are delving into their bottom drawers to find those special old photos. Thanks!

We are assembling articles and photos for display on the day; compiling a photo booklet of historical and modern-day Bonny's; getting stories from a number of long-time residents; securing market stalls/displays; and compiling a program for bands and performances, and Surf Club activities. A program for the weekend will be out soon.

*There is still time to share old photos and memories so please let Kylie Moss know or visit www.facebook.com/backtobonnyhills to add your photos. And have a look at that great **Back to Bonny's** logo!!*

Ongoing

- Half netball court at Hall Reserve - weather permitting construction should begin mid-July. The budget is tight so we will be looking for volunteers to keep costs down with landscaping and painting. Already there have been some generous concessions on pricing.
- Chasing up what progress has been made on the Community Plan that Council has in the pipeline.
- Monitoring proposed actions by Council following the community meeting about an alleged sewage spill in Saltwater Creek: To date number 2 pump in Rodley St has been increased in size, and inspection points have been raised. Pipe inspection and repair is further out.
- Initiated enquiries regarding the implications of the Remediation order on Lot 2 Beach Street.
- Attended two **Healthy Towns North Coast Workshops** at Lake Cathie. There is a report on this.

Ironman volunteers

A special thank you to those generous people who volunteered their time to 'man' intersections for Ironman this year.
