

A committee member recently reported broken treads in the footbridge at Spoonneys. **It was fixed in a matter of days.**

You can do this on PMHC website_ www.pmhc.nsw.gov.au- contact us- with space for report and photos. And ask for feedback when the job is completed. A great opportunity.

What's going on.

- **Patience is a virtue.** After 15 years of lobbying for a footpath along Ocean Drive finally it is coming together. And what a quality job: we are now waiting with bated breath to see the addition of a viewing platform.

- BHPA has joined the Camden Haven Chamber of Commerce to widen our network and access to expertise and the business community.

- We are keen to get the MasterPlan for Rainbow Beach Reserve finalised so we can get on with upgrading facilities. Approaches have been made to Council to fast track the process with a little help from BHPA.

- Lindsay Klumpp, son of pioneers Henry and Mahala, passed recently, aged 98. He was a lovely chap and had wonderful stories about Bonny Hills - "his mother asking him to fetch fresh fish stranded in rockpools for lunch".

- Plans for **Bonny Hills 2025 ART PRIZE** are forging ahead with local businesses supporting it strongly. More detail to come in our next Newsletter, meanwhile lock in the dates, Wed 8th to Sunday 12th January.

- **Kathy and co** will be meeting with senior regional management of Transport for NSW shortly to discuss the options they are considering for THAT Overpass

- **Ross** monitors Council reports on water quality in our creeks with little of note happening recently

- Not everyone's cup of tea, but Committee is working behind the scenes to **update our Constitution**, a requirement of the Office of Fair Trading NSW.

- See photos below of two bands involved in Bands@Bonny on 20th July. A great gig for youth!

Mediocre Sunrise.

A walk in local bushland will reveal spring wildflowers out in abundance. Lovely!
